Good morning again Mr Dotson.

This is a two part request for FOIA information, and thank you in advance.

① I am officially requesting a copy of all incoming and outgoing phone calls from David Stachura's Cell phone. The numbers or names of the people that he received and dialed on February 19th 2014. Names are preferable as I do not intend on calling any of them at all. And if it is at all possible for the list to be from a source other than Mr Stachura.

② Second part is all emails from all of Mr Stachura's email accounts both personal and district. As he has done board business in the past from both. From the dates of February 17th 1am to February 20th at midnight.
