Subject: FOIA Request

This is a FOIA request for all email correspondence between Board Member Pat Godziszewski, and Board Attorney Darcy from December 17th 2014 to January 28th 2014 specifically both emails discussed at the January 28th board meeting. (The one sent by board member pat to Darcy that pat said Darcy never responded to, and Darcy's response to that letter that she said was a public document during the meeting)
