To:

 Katherine Brant**Subject:** FOIA request

To the FOIA Officer of School District 81

I am requesting any emails to or from district 81 regarding the decision of the Special education director candidates (Michelle Gallo) decision to not take the position in our district. Specifically emails containing the reason why she changed her mind, and any discussion of it by the board president Dave Stachura, and the board Vice President Patricia Godziszewski. As a parent of a special needs child I am very concerned.
