### **Disclosure Policy**

#### **SCHOOL DISTRICT NUMBER 81, COOK COUNTY, ILLINOIS (THE “DISTRICT”) POLICIES AND PROCEDURES FOR PREPARING AND UPDATING DISCLOSURES**

Pursuant to the District’s responsibilities under the securities laws, including its continuing disclosure undertakings (the “*Undertakings*”) under Rule 15c2-12 of the Securities Exchange Act of 1934, as amended, and the Securities and Exchange Commission’s statements in enforcement actions, it is necessary and in the best interest of the District that the District’s (i) preliminary and final official statements or offering circulars and any supplements or amendments thereto (collectively, the “*Official Statements*”), disseminated by the District in connection with any bonds, notes, certificates or other obligations, (ii) Annual Financial Information, as required by and defined in the Undertakings (the “*Annual Financial Information*”) to be filed with the Municipal Securities Rulemaking Board’s (“*MSRB*”) Electronic Municipal Market Access (“*EMMA*”) system, and (iii) notices of Material Events or Reportable Events, each as defined in the Undertakings, and any other required or voluntary disclosures to EMMA (each, an “*EMMA Notice*”) comply in all material respects with the federal securities laws. Further, it is necessary and in the best interest of the District that the District adopt policies and procedures to enable the District to create accurate disclosures with respect to its (i) Official Statements, (ii) Annual Financial Information, and (iii) EMMA Notices. Official Statements, Annual Financial Information and EMMA Notices are collectively referred to herein as the “*Disclosures*.”

In response to these interests, the District hereby adopts the following policies and procedures (the “*Disclosure Policy*”):

(a) *Disclosure Officer*. The Director of Finance and Operations of the District (the “*Disclosure Officer*”) is hereby designated as the officer responsible for the procedures related to Disclosures as hereinafter set forth (collectively, the “*Disclosure Procedures*”).

(b) *Disclosure Procedures: Official Statements*. Whenever an Official Statement will be disseminated in connection with the issuance of obligations by the District, the Disclosure Officer will oversee the process of preparing the Official Statement pursuant to the following procedures:

1. The District shall select (a) the working group for the transaction, which group may include outside professionals such as disclosure counsel, a municipal advisor and an underwriter (the “*Working Group*”) and (b) the member of the Working Group responsible for preparing the first draft of the Official Statement.

2. The Disclosure Officer shall review and make comments on the first draft of the Official Statement. Such review shall be done in order to determine that the Official Statement does not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the

statements made in the Official Statement not misleading. Particular attention shall be paid to the accuracy of all descriptions, significant information and financial data regarding the District. Examples include confirming that information relating to the District, including but not limited to demographic changes, the addition or loss of major employers, the addition or loss of major taxpayers or any other material information within the knowledge of the Disclosure Officer, is included and properly disclosed. The Disclosure Officer shall also be responsible for ensuring that the financial data presented with regard to the District is accurate and corresponds with the financial information in the District's possession, including but not limited to information regarding bonded indebtedness, notes, certificates, outstanding leases, tax rates or any other financial information of the District presented in the Official Statement.

3. After completion of the review set forth in 2. above, the Disclosure Officer shall (a) discuss the first draft of the Official Statement with the members of the Working Group and such staff and officials of the District as the Disclosure Officer deems necessary and appropriate and (b) provide comments, as appropriate, to the members of the Working Group. The Disclosure Officer shall also consider comments from members of the Working Group and whether any additional changes to the Official Statement are necessary or desirable to make the document compliant with the requirements set forth in 2. above.

4. The Disclosure Officer shall continue to review subsequent drafts of the Official Statement in the manner set forth in 2. and 3. above.

5. If, in the Disclosure Officer's reasonable judgment, the Official Statement does not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made in the Official Statement not misleading, the Official Statement may, in the reasonable discretion of the Disclosure Officer, be released for dissemination to the public; *provided, however*, that the use of the Official Statement must be ratified, approved and authorized by Board of Education of the District (the "Board").

(c) *Disclosure Procedures: Annual Financial Information.* The Disclosure Officer will oversee the process of preparing the Annual Financial Information pursuant to these procedures:

1. By December 1 of each year (the same being at least 30 days prior to the last date on which the Annual Financial Information is required to be disseminated pursuant to the related Undertaking, the Disclosure Officer shall begin to prepare (or hire an agent to prepare) the Annual Financial Information. The Disclosure Officer shall also review the audited or unaudited financial statements, as applicable, to be filed as part of the Annual

Financial Information (the “*Financial Statements*”). In addition to the required updating of the Annual Financial Information, the Disclosure Officer should consider whether additional information needs to be added to the Annual Financial Information in order to make the Annual Financial Information, including the Financial Statements, taken as a whole, correct and complete in all material respects. For example, if disclosure of events that occurred subsequent to the date of the Financial Statements would be necessary in order to clarify, enhance or correct information presented in the Financial Statements, in order to make the Annual Financial Information, taken as a whole, correct and complete in all material respects, disclosure of such subsequent events should be made.

2. If, in the Disclosure Officer’s reasonable judgment, the Annual Financial Information, including the Financial Statements, is correct and complete in all material respects, the Disclosure Officer shall file the Annual Financial Information with EMMA (or confirm that such filing is completed by any agent hired by the District for such purpose) within the timeframe allowed for such filing.

(d) *Disclosure Procedures: EMMA Notices.* Whenever the District determines to file an EMMA Notice, or whenever the District decides to make a voluntary filing to EMMA, the Disclosure Officer will oversee the process of preparing the EMMA Notice pursuant to these procedures:

1. The Disclosure Officer shall prepare (or hire an agent to prepare) the EMMA Notice. The EMMA Notice shall be prepared in the form required by the MSRB.

2. In the case of a disclosure required by an Undertaking, the Disclosure Officer shall determine whether any changes to the EMMA Notice are necessary to make the document compliant with the Undertaking.

3. If, in the Disclosure Officer’s reasonable judgment, the EMMA Notice is correct and complete and, in the case of a disclosure required by an Undertaking, complies with the Undertaking, the Disclosure Officer shall file the EMMA Notice with EMMA (or confirm that such filing is completed by any agent hired by the District for such purpose) within the timeframe allowed for such filing.

(e) *Additional Responsibilities of the Disclosure Officer.* The Disclosure Officer, in addition to the specific responsibilities outlined above, shall have general oversight of the entire disclosure process, which shall include:

1. Maintaining appropriate records of compliance with this Disclosure Policy (including proofs of EMMA filings) and decisions made with respect to issues that have been raised;

2. Evaluating the effectiveness of the procedures contained in this Disclosure Policy; and

3. Making recommendations to the Board as to whether revisions or modifications to this Disclosure Policy are appropriate.

(f) *General Principles.*

1. All participants in the disclosure process should be encouraged to raise potential disclosure items at all times in the process.

2. The process of revising and updating the Disclosures should not be viewed as a mechanical insertion of current numbers. While it is not anticipated that there will be major changes in the form and content of the Disclosures at the time of each update, the Disclosure Officer should consider whether such changes are necessary or desirable in order to make sure the Disclosure does not make any untrue statement of a material fact or omit to state a material fact necessary or desirable, in order to make the statements made, in light of the circumstances in which they were made, not misleading at the time of each update.

3. Whenever the District releases information, whether in written or spoken form, that may reasonably be expected to reach investors, it is said to be “speaking to the market.” When speaking to the market, District officials must be sure that the released information does not make any untrue statement of a material fact or omit to state a material fact necessary or desirable, in order to make the statements made, in light of the circumstances in which they were made, not misleading.

4. While care should be taken not to shortcut or eliminate any steps outlined in this Disclosure Policy on an ad hoc basis, the review and maintenance of the Disclosures is a fluid process and recommendations for improvement of these Disclosure Procedures should be solicited and regularly considered.

5. The Disclosure Officer is authorized to request and pay for attendance at relevant conferences or presentations or annual training sessions conducted by outside counsel, consultants or experts in order to ensure a sufficient level of knowledge for the effective administration of this Disclosure Policy.

### **Transportation**

The District shall provide free transportation for any student in the District who resides: (1) at a distance of one and one-half miles or more from his or her assigned school, unless the Board of Education has certified to the Illinois State Board of Education that adequate public transportation is available, or (2) within one and one-half miles from his or her assigned school where walking to school or to a pick-up point or bus stop would constitute a serious hazard due to vehicular traffic or rail crossing, and adequate public transportation is not available. The District may provide transportation for students residing within one and one-half miles, at its discretion. A student's parent(s)/guardian(s) may file a petition with the Board requesting transportation due to the existence of a serious safety hazard. Unless the Superintendent or designee establishes new routes, pick-up and drop-off locations for students in day care must be along the District's regular routes. The District will not discriminate among types of locations where day care is provided, which may include the premises of licensed providers, relatives' homes, or neighbors' homes.

Bus schedules and routes shall be determined by the Director of Buildings and Grounds and shall be altered only with the Director of Buildings and Grounds' approval and direction. In setting the routes, the pick-up and discharge points should be as safe for students as possible.

No school employee may transport students in school or private vehicles unless authorized by the administration.

Every vehicle regularly used for the transportation of students must pass safety inspections in accordance with State law and Illinois Department of Transportation regulations. The strobe light on a school bus may be illuminated only when the bus is actually being used as a school bus and (1) is stopping or stopped for loading or discharging students on a highway outside an urban area, or (2) is bearing one or more students. ### **Free and Reduced-Price Food Services**

#### Notice

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

#### Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education. From time to time, the income eligibility guidelines and standards may not be necessary when reimbursements for students' free breakfasts and lunches are claimed through the U.S. Depts. of Agriculture and Education's Community Eligibility Provision (CEP). When claiming the CEP, the District will follow its requirements.

#### Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

#### Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

#### Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Department of Agriculture in 7 C.F.R. §245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.

The Superintendent shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

Re: Eligibility and Meal Charge Notifications

The following notification is provided at the beginning of each school year as federally required notification regarding eligibility requirements and the application process for the free and reduced-price food services that are listed in Board policy 4:130, *Free and Reduced-Price Food Services* and 4:140, *Waiver of Student Fees*. For more information, see [www.fns.usda.gov/school-meals/unpaid-meal-charges](http://www.fns.usda.gov/school-meals/unpaid-meal-charges), and/or contact the Building Principal or designee.

#### **Free and Reduced-Price Food Services Eligibility**

When students are unable to pay for their meal services, meal charges will apply per a student's eligibility category and will be processed by the District accordingly.

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Department of Agriculture, and distributed by the Illinois State Board of Education.

#### **Meal Charges for Meals Provided by the District**

The Building Principal and District staff will work jointly to prevent meal charges from accumulating. Every effort to collect all funds due to the District will be made on a regular basis and before the end of the school year. Contact your Building Principal or designee about whether your charges may be carried over at the end of the school year, i.e., beyond June 30<sup>th</sup>.

Unpaid meal charges are considered delinquent debt when payment is overdue as defined by Board policy 4:45, *Insufficient Fund Checks and Debt Recovery*. The District will make reasonable efforts to collect charges classified as delinquent debt.

When a student's funds are low or there is a negative balance, reminders will be provided to the staff, students, and their parent(s)/guardian(s) at regular intervals during the school year. If a parent/guardian regularly fails to provide meal money and does not qualify for free meal benefits, the Building Principal or designee, will direct the next course of action. Continual failure to provide meal money may require the District to notify the Ill. Dept. of Children and Family Services (DCFS) and/or take legal steps to recover the unpaid meal charges.

### **Waiver of Student Fees**

The Superintendent will recommend to the Board of Education for adoption what fees, if any, will be charged for the use of textbooks, consumable materials, extracurricular activities, and other school fees. Students will pay for loss of school books or other school-owned materials.

Fees for textbooks and other instructional materials are waived for students who meet the eligibility criteria for fee waiver contained in this policy. In order that no student be denied educational services or academic credit due to the inability of parents/guardians to pay fees and charges, the Superintendent will recommend to the Board for adoption what additional fees, if any, the District will waive for students who meet the eligibility criteria for fee waiver. Students receiving a fee waiver are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

The Superintendent shall ensure that applications for fee waivers are widely available and distributed according to State law and ISBE rule, and that provisions for assisting parents/guardians in completing the application are available.

### **Eligibility Criteria**

2. The student or student's family is currently receiving aid under Article IV of The Illinois Public Aid Code (Aid to Families with Dependent Children).

The Building Principal will give additional consideration where one or more of the following factors are present:

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Seasonal unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

### **Verification**

The Superintendent or designee must follow the verification requirements of 7 C.F.R. 245.6a when using the free lunch or breakfast eligibility guidelines pursuant to The National School Lunch Act as the basis for waiver of the student's fee(s).

When using a District established or other independent verification process, the Superintendent or designee may not require verification more often than every 60 calendar days. The Superintendent or designee shall not use any information from any independent verification process to determine free lunch or breakfast eligibility pursuant to The National School Lunch Act.

### **Determination and Appeal**

The Superintendent or designee will notify the parent(s)/guardian(s) promptly as to whether the fee waiver request has been granted or denied. The denial of a fee waiver request may be appealed to the Superintendent by submitting the appeal in writing to the Superintendent within 14 days of the denial.

The Superintendent or designee shall respond within 14 days of receipt of the appeal. The Superintendent's decision may be appealed to the Board. The decision of the Board is final and binding.

### **Pandemic Preparedness**

The School Board recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety if an influenza pandemic occurs. Pandemic influenza is a worldwide outbreak of a virus for which there is little or no natural immunity and no vaccine; it spreads quickly to people who have not been previously exposed to the new virus.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand the roles that the federal, State, and local government would play in an epidemic; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic influenza school action plan; and (3) build awareness of the final plan among staff, students, and community.

### **Emergency School Closing**
